**Director, Human Resources
Child Guidance & Family Solutions**

Join this progressive community mental health agency to lead its human resources strategic functions. Executive team position; office-based in downtown Akron with a flexible full time schedule.

The Agency has just finished a new strategic plan and is poised for growth and a bright future! Mental health has never been so important for children and families. You can make a real difference for your community and beyond in this position.

Position Responsibilities:

- Direct strategic and operational human resources initiatives
- Lead recruitment, college collaborations, workforce development functions
- Provide expert employee relations guidance
- Manage benefits and compliance functions
- Coordinate with on-site staff and contractors to advance human resources and related services
- Oversee special projects as needed

Competitive compensation range and generous employee benefits.
